

6 March 1958

SUBJECT: Contract No. A-101, Equipment Lists AA, BB and CC  
for Support of System 4

TO: [REDACTED]  
Weapon System Support Center

25X1A

Reference your letter dated 10 February 1958, file no. 1627, same subject as above. The contracting officer issued an approval letter on 5 August 1957 which authorized the contractor to proceed with the procurement of long lead-time items required by FOG for two FAK, two SLOE, and one set of depot spares in support of System 4.

Your comments on the contractor's recommended lists of support items were forwarded to the contracting officer on 8 January 1958, at which time he was requested to obtain a revised proposal for incorporation into the contract. The contractor was advised by letter from Dan dated 25 February 1958 that Equipment Lists AA, BB, and CC were approved subject to deletions requested in your letter dated 23 December 1958, file no. 1374.
